

13. Eligibility**Places to Play Eligibility**

13.1 Entry to Aegon Team Tennis (the Competition) is open only to registered places to play, defined as Associates in Rule 28 of the LTA.

Team Eligibility

13.2 Events: Men's & Women's Open.

13.3 A place to play may enter as many teams as it wishes in the competition but may have no more than 2 teams in any division of the National, Regional or County Tier. This rule applies to men and women separately.

13.4 Where a place to play has two or more teams in the National and/or Regional Tier the top 4 rated players nominated may only play for team 'A'. Any other nominated players in the place to play may play up or down in line with rule 13.5.

13.5 Where a place to play has two or more teams in the Competition (County, Regional or National Tiers) a player may 'play up' on a maximum of one occasion without loss of eligibility for their lower team. Once a player has represented a higher team on more than one occasion, they are no longer eligible to represent the lower team.

Player Eligibility

13.6 A player may only:

- I. Represent one place to play in the Open (adult) age group.
- II. Play in a maximum of two age groups (including 14&U, 16&U or 18&U).

13.7 All players must:

- I. Have a British Tennis Membership number which links to the place to play they are competing for.
- II. Have a British Tennis rating.
- III. Be a member of the place to play they are competing for as of 1 April 2015.
- IV. Be born on or before 31 August 2001.

13.8 A place to play with a team(s) in the County Tier, does not need to nominate players and can play players of any standard.

A place to play with a team in the National or Regional Tier may nominate up to 12 players rated 4.1 or better no later than 2 March 2015. For each additional team in the National/Regional Tier, up to a further 9 players rated 4.1 or better may be nominated by the place to play.

Of the nominated players a place to play may include up to 2 players that have an ATP/WTA singles world ranking of 750 or better as of 2 March 2015 who have not played in at least 2 Aegon Team Tennis matches for the place to play in each of the last 2 seasons.

This rule applies to men and women separately.

13.9 County Tier Play-offs

Players must have represented the team in at least 1 division match prior to the Playoffs or have a rating of 4.2 or worse as of 2 March 2015.

Where two teams compete in a division match and a player is given a walkover, the rubber will count towards a player's eligibility. An entire team walkover does not count for player eligibility.

National Tier Play-offs & Finals

Players must have represented the team in at least 2 group matches prior to the Play-offs/Finals or have a British Tennis rating of 4.2 or worse as of 2 March 2015. Exception: Where less than 7 fixtures are played, for each fixture not played, teams are permitted to nominate 1 extra player who has represented the team in only one group match.

Where two teams compete in a group match and a player is given a walkover, the rubber will count towards a player's eligibility. All completed rubbers against a team which is subsequently withdrawn will stand for the purposes of player qualification to the Playoffs and/or Finals.

14.4 Open Promotion/Relegation

Refer to the online document 'Open (adult) Promotion/Relegation 2015' at www.LTA.org.uk/Aegon-Team-Tennis for full details.

15. Match Arrangements

15.1 Dates

Matches are to be played on the fixed dates specified*. County Tier matches to start between 10am-4pm unless both teams agree otherwise. National and Regional Tier matches to start at midday.

15.2 Court Surfaces

The home place to play shall provide 2, 3 or 4 courts of the same surface. Where more than one court surface is used, the away team shall have the choice of court allocation.

15.3 Balls

The home team shall supply a minimum of 3 new ITF approved balls for each singles rubber. At the National and Regional Tier, new balls shall be supplied for each doubles rubber.

15.4 Match Format

A match shall consist of 4 singles and 2 doubles rubbers.

15.5 Team Format

A team shall consist of four to six players. Four players shall play one singles rubber each and the 5th and/or 6th player(s) may be selected for one doubles rubber only.

15.6 Singles Nominations

At least 15 minutes before the start time of each match the team captains shall nominate in writing (on a Team Tennis scorecard) their singles players in order of current British Tennis ratings*. At the same time, captains shall provide the name of any other player(s) who may be selected for the doubles only. If players have the same rating, the captain can decide the team order which may change from match to match.

3. Teams earning prize money in the National Tier must submit a prize money form to teammembers@lta.org.uk no later than 30 September 2015.

4. It is both team captains responsibility to contact each other before the match. In the County Tier, there will be flexibility to play before a fixed date if both teams agree and there is prior consent from the league organiser. On match day the home team captain shall be responsible for welcoming the away team and organising refreshments.

5. An ATP/WTA singles world ranking of 1200 or better on match day must take precedence over British Tennis ratings.

15.7 Doubles Nominations

The team captains shall nominate their doubles pairings after the singles rubbers have been completed. The doubles pairings shall be nominated in accordance with the sum of the singles positions of the players in each pairing (see below). Where players are nominated for the doubles rubber(s) only then his/her singles position shall be regarded as:

Number 5 in the case of the 'doubles only player' with the higher rating (or current ATP/WTA ranking of 1200 or better))

Number 6 in the case of the 'doubles only player' with the lower rating.

If singles player number 1 plays with 5 and singles player 2 plays with 3 then 2 and 3 shall be the first pair. Where the total is the same, the pairing which includes the player who played in the highest order singles match shall be nominated as the first pair (e.g. if the pairings are 1 + 4 and 2 + 3, then 1 + 4 must be nominated as the first pair). If one player from a team of 4 is unable to play doubles, the nominated pair must play number 1.

15.8 Order of Play

	On 2 Courts	On 3 Courts	On 4 Courts
Round 1	Singles 1&2	Singles 1-3	Singles 1-4
Round 2	Singles 3&4	Singles 4	Doubles 1&2
Round 3	Doubles 1&2	Doubles 1&2	

15.9 Rubber Scoring

County Tier

	Sets 1 & 2	Set 3 (if necessary)
Singles & Doubles	Tiebreak at 6-6	Match Tiebreak (to 10 points, with 2 clear)

Regional/National Tier

	Set 1 & 2	Set 3 (if necessary)
Singles	Tiebreak at 6-6	Tiebreak at 6-6
Doubles	Tiebreak at 6-6	Match Tiebreak (to 10 points, with 2 clear)

15.10 Match Scoring

A team is awarded 2 points for each rubber won.

At 6 points each a tiebreak shoot-out shall be played. 1 bonus rubber point will be awarded to the winning team in a tiebreak shoot-out.

A tiebreak shoot-out shall consist of two singles tie breaks* (to 10 points, with 2 clear) which are to be played at the same time followed by a doubles tiebreak (to 10 points, with 2 clear) if necessary. No player may play in more than one tiebreak. Players are to be nominated as follows:

Tiebreak 1 (Singles): One of the original players from the 1st/2nd singles rubbers.

Tiebreak 2 (Singles): One of the original players from the 3rd/4th singles rubbers.

Tiebreak 3 (Doubles): A pairing comprising any two of the other players who have played in the match.

15.11 Match Result

The team with the most rubber points shall win the match.

A team will receive 2 match points on the league table for a match win.

Both captains must complete and sign the Team Tennis scorecards, and retain their copy. The winning captain must then submit the result online within 48 hours*.

15.12 Division Standings

The final standings in each division shall be determined by the following:

- I. The team with the greatest number of match points.
- II. If match points are equal, the team with the greatest number of rubber points.
- III. If only two teams are level on match points and rubber points, their head to head result.
- IV. If more than 2 teams are level, the round robin rule in the LTA Competition Regulations will determine the league standings.

6. In the event that a team is reduced to 3 players, that team must concede the doubles tiebreak. In the event that both teams are reduced to 3 players and the singles tiebreaks are shared, a deciding doubles tiebreak (to 10 points, with 2 clear) shall be played between the remaining player and one of the singles shoot-out players. No substitutions or changes are permitted to the players who originally competed in the match.

7. Any teams found guilty of submitting false results shall be subject to rule 17.2.

(All age groups, all tiers)

16. Problem Solving Issues*

16.1 Late Arrival

If any nominated player is not ready to play within 15 minutes of a rubber due on court then the opposing team shall be awarded a walkover for this rubber (in a score of 6-0, 6-0). No substitutions or alteration to the nominations on playing order may be made. The player concerned shall be permitted to play a doubles rubber (and tiebreak shoot-out) provided he/she is ready to play when the doubles rubber is due on court. If he/she is not ready when the doubles rubber is due on court the team will be deemed 'incomplete' and Rules 16.2 and 16.6 will apply.

In the event that the entire away team is going to be late for extenuating circumstances (e.g. motorway closure etc) and has contacted the home team in good time, a reasonable degree of flexibility on start time should be shown by the home team. In the event of a dispute at the National/Regional Tier, both team captains should speak to the on call referee whose ruling shall be final.

16.2 Incomplete Teams

If a place to play is unable to field a complete team for the whole match then they shall first forfeit the lowest singles rubber and the second doubles rubber, followed by the next lowest rubber and so on. In addition, that team shall have 3 rubber points deducted from their match score where one player is missing and 6 rubber points from their match score where two or more players are missing. No tiebreak shoot-out is to be played if one team is 'incomplete'. The opposing team shall be deemed to have won any forfeited rubbers by a score of 6-0, 6-0.

16.3 Player Retirement

If a player retires during a rubber, the opponent shall be deemed to have won all the remaining games and sets necessary to win the rubber. The player retiring from the rubber shall be eligible to compete in any remaining rubbers/tiebreak shoot-out.

16.4 Completion of Matches (due to inclement weather)

If play is suspended after a match has started then the match shall resume at the point of suspension.

If a match cannot be started due to rain or rain stops play before any rubbers have been completed then the match may be rearranged on or before the rain date at the original venue as set by the League Organiser*. If a team has two matches rained off and schedules the first rained off match for the official rain date and cannot play the second rained off match prior to the rain date, then this second rained off match will be halved with both teams receiving 6 rubber points and 1 match point each. Where promotion/relegation is not affected, matches that are rained off on the agreed rain date will be halved with both teams receiving 6 rubber points and 1 match point each.

Where one or more rubbers have been completed, then the winner of the match shall be the team winning the most number of completed rubbers. 2 points shall be awarded for each completed rubber with any remaining points shared. For the purposes of final league placing calculations, the incomplete and unplayed rubbers shall be deemed shared by a score of 6-4, 4-6. Should each team have an equal number of rubbers then each team shall receive 6 rubber points and 1 match point.

16.5 Team Withdrawal

A team giving a walkover shall take no further part in the competition. All results against this team will be declared null and void for the purposes of determining the final placing in its group. However, the League Organiser shall have the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case the team receiving the walkover will win all rubbers 6-0, 6-0, and will receive 12 rubber points and a match win. In the National Tier (Open age group) a team withdrawing at the Finals may forfeit prize money and be relegated.

16.6 Playing out of order / Ineligible Player(s)†

If players play out of order then the singles rubbers involving those players shall be forfeited by a score of 0-6, 0-6.

If an ineligible player competes then the singles rubber involving the player concerned, and all singles rubbers lower in the team order shall be forfeited by a score of 0-6, 0-6. In addition, that team shall have 3 rubber points deducted from their match score for each ineligible player.

If both teams field a player out of order or an ineligible player then each team shall be deemed to have lost the singles rubber in a similar manner. Likewise if a team fields an ineligible player as a doubles only player they shall forfeit that rubber. Where doubles pairings are not in line with Rule 6.7/9.7/12.7/15.7 that place to play shall forfeit both doubles rubbers.

1. For 8&U/9&U/10&U age groups any forfeited/incomplete scores (as highlighted in rules 16.1-16.6) will be subject to the appropriate scoring format for that age group.

2. At the discretion of the league organiser, the home venue of a fixture may be reversed in the case of inclement weather and/or courts being unfit for play.

3. In the event of a match result being overturned by the League Organiser after the match has been completed which then results in a score of 6 points each then both teams will be awarded a half win (1 match point).

17. Regulations

- 17.1 All matches in the Competition shall be conducted in accordance with the ITF Rules of Tennis, the Rules and Regulations of the LTA, the LTA Competition Regulations, the LTA Code of Conduct and the Aegon Team Tennis Competition Regulations (in the event of any inconsistency, the Aegon Team Tennis Regulations shall prevail). Each player participating in the competition grants and assigns to the LTA the right to make, use and show from time to time and at its discretion, motion pictures, still pictures and live taped or filmed television and other reproduction of him/her during the event and in connection with the promotion of the event without compensation for him/herself. Such promotional activities by the LTA shall not be identified as or represented to be an endorsement by the player of any product/company.
- 17.2 The day to day organisation of the Competition shall be carried out by the League Organiser under the auspices of the LTA Competitions Team (CT). The Competition is sanctioned by the LTA under the management of the CT. The CT shall have the power to decide on matters of interpretation of these regulations, to impose penalties including, but not limited to, the deduction of points and suspension for breaches of these Regulations, to suspend or modify any of these Regulations in appropriate circumstances. The CT decision on all matters is final.
- 17.3 Any complaint/dispute shall be made in writing on email to the League Organiser (copying in teamtennis@LTA.org.uk) by the team captain within 48 hours of the cause of the complaint/dispute arising. Nevertheless, the League Organiser/CT shall have the power to consider any matter coming to their attention subsequently.
- 17.4 All players are subject to the Rules and Regulations of the LTA (including, without limitation, the LTA's Anti-Doping Programme, the Disciplinary and Dispute Resolution Procedures and the Regulations Concerning Match Fixing, Financial Speculation and Betting) and fully and unconditionally submit to the jurisdiction and authority of the LTA by competing in the Competition.

RESOLVING MATCH DAY ISSUES

There are occasions where issues arise on court regarding line calls, scoring or player disagreements. We would like to remind all players, parents and captains of the LTA Fair Play Campaign (see back cover of guide).

The policy for all fixtures is for the issue to be resolved directly between the players involved in the rubber. If the situation cannot be resolved between the players, the team captain only can get involved to help resolve the issue. In no situation should a spectator (player/parent/coach/club member) who is not playing in the rubber concerned be involved with any disagreement on court. Those individuals must communicate through their team captain only.

Matches played without a chair Umpire

Aegon Team Tennis league matches will be played without a Chair Umpire! All players should be aware of the following basic principles when playing a match in these circumstances:

- Each Player (or doubles team) is responsible for all calls on his/her own side of the net
- All "out" and "fault" calls should be made promptly after the ball has bounced and loudly enough for the opponent(s) to hear
- If in doubt, the Player must give the benefit of the doubt to the opponent(s)
- If a Player incorrectly calls a ball "out" and then realises that the ball was good, the point should be replayed unless it was a point winning shot or unless that Player made an incorrect "out" call earlier in the match. In these circumstances, the Player who called "out" loses the point
- The server should call the score before each first serve, loudly enough for the opponent(s) to hear

If a Player is unhappy with any actions or decisions, the player should speak to their team captain, who can then watch the match or speak to the opposing team captain

Score disputes

Scoring disputes are either a genuine mix up or a deliberate act. In both situations, team captains from both teams should use the same procedure:

1. Establish what each player thinks the score is. If the dispute is:
 - a. over the score in a game, work through the game, point by point
 - b. over the score in a set, go through the set game by game
2. Establish which point(s) or game(s) the players cannot agree on. These point(s) or game(s) should be disregarded and the score adjusted to include the points or games they agree on
3. Play resumes according to the new agreed score
4. Following all disputes remind the players that the server should call the score clearly before every point
5. For the purposes of the above, it is important both team captain's have a presence courtside during matches

1 In 8&U and 9&U fixtures scorers may be used. The role of the scorer is to call the score and check players are in the correct position to start points. The scorer must not be the family member of any player involved in the rubber
